Town of Wilson Annual Meeting and Sanitary Districts Annual Meetings

Mark your calendar to attend the Annual Meetings on *Tuesday, April 21, 2015 at 7:00 pm.*

The Annual Meetings are held at the Town of Wilson Hall, 5933 South Business Drive, Sheboygan.

Many topics and reports will be shared. Per Wisconsin Statute 60.11 The Town of Wilson and Sanitary Districts welcome your input. We look forward to seeing you there!

The Town of Wilson Annual meeting will begin immediately at 7:00 pm. The 2015 Sanitary District No. 1 Annual Meeting will be held immediately following the Town of Wilson 2015 Annual Meeting. The 2015 Sanitary District No. 2 Annual Meeting will immediately follow the 2015 Sanitary District No. 1 Annual Meeting.

Town of Wilson First Responders

The Town of Wilson First Responders would like to THANK Nancy DesJardins for her faithful service for the past 5 years. Nancy retired from the first responders December 31, 2014. She has been an important part of helping get us up and running. We want to thank her for all her work.

I was appointed to take over the job as director and will continue to work at serving, along with all the responding members, our community during their time of need. We recently received a letter in the mail from one of the members from that community that we served, it read,

Dear Kim,

I need to take a moment to thank you and all the members of the Town of Wilson First Responders. Having been on the receiving end of Emergency Medical Service- EMS, I value this service not only for myself but for everyone living in and visiting the Town of Wilson, who has needed or will need EMS care in the future. Thank you and all the members of the First Responders unit for your dedication and service to the community. Please accept this small contribution to a very large cause.

The First responders have been busy. 2014 we finished the year with 103 calls. That is the highest year of call volume that we have had since we started. Most the time once a patient that we help leaves in the ambulance, we don't ever hear what the outcome was. So the few times that we hear back from patients that we help means a lot to us.

Please feel free to contact me at any time with any questions that you have.

Stay Safe,
Kim Gartman 920-627-2281

UPDATE ON THE PROGRESS AT SCHINKER CREEK PARK

We are pleased that we will be able to open Schinker Creek Park officially to the public this summer, 2015. The date of the grand opening event will be announced.

We are in the final phase of implementing the 2014 Sheboygan County Stewardship Grant of \$21,643.00 which the Wilson Mutual Insurance Company matched with a generous gift of \$21,643.00. This enabled us to purchase and install a toilet facility, a picnic shelter, and a playground. The shelter and playground will be named the Wilson Mutual Insurance Company Playground and Shelter to honor their gift.

An often asked question is whether general revenue funds have been used in this addition to our Town's amenities. Here is an accounting of the funds expended to date to acquire and improve the site for a park:

1. A grant from the Knowles-Nelson Stewardship Fund, WDNR, of \$52,500 was matched by the Town's Land and Park Trust in the amount of \$52,500 for the purchase of the property.
2. That left a balance in the Land and Park Trust of \$6,050.00 which was used to put in the parking lot by the County, but their estimate was low so general revenue funds had to cover the balance of \$1,120.00.
3. The 2012 Sheboygan County Stewardship gave us a grant to finish the grading, put in a hiking trail, seed the unseeded portions, purchase bike racks, create and install the sign at the corner of Moenning Road and Schinker Creek Road, and put up additional signage. That grant was in the amount of \$16,820.00. Of that we needed to raise a 50% match which we did with in kind contributions from the Town Maintenance Department of man and machine hours.
4. In 2013 and 2014 we received four cash gifts for tree planting in the Park, one from Gerald Bertsch and one from A & M Trees, and two from the American Transmission Company of \$500.00 in 2013 and \$2,000.00 in 2014. Further, the Town moved seven trees from the Town Office/Hall grounds to the Schinker Creek Park at a cost of \$150.00 each, or a total of \$1,050.00; otherwise these trees would have been cut down due to parking lot expansion or over-crowding.
5. From general revenue funds in 2015 \$7,250.00 are budgeted for ADA trails to the shelter and playground, activating the well that is on the site, putting down safety material for the fall area in the playground, and purchasing and installing outdoor barbeque grills.

Mailing address: Town of Wilson Treasurer, 5935 S. Business Dr., Suite 102, Sheboygan, WI 53081. The license (and certificate) will be mailed to you. -----

-----If you no longer own your dog that was licensed in the Town of Wilson this year or last year, please send the completed form **NOTICE OF DOG DECEASED OR NOT OWNED** to the Town Treasurer's office. The form is available on the website www.townwilson.com or from the Town Treasurer. Thank you.

STATEMENT REGARDING WILSON LAND HOLDINGS, LLC LAWSUIT

March 18, 2015

As some of you may be aware, the Town of Wilson was sued by Wilson Land Holdings, LLC in 2013. The lawsuit concerned the enforceability of an agreement that WLH entered into with the Town. The agreement said that WLH could not annex property it purchased from the Town into the City of Sheboygan, otherwise title to the property would revert back to the Town. In filing its lawsuit, WLH sought to escape its obligations under that agreement and avoid being bound by its promises. On October 15, 2014, the circuit court ruled that the agreement is void and unenforceable because its non-annexation provision was not mentioned in the deeds conveying the property and upheld that decision upon further review on February 25, 2015. Neither the current Town Board nor the current Town Attorney were involved in any of the transactions creating the agreement.

The Town believes the court's rulings were incorrect, so it has authorized its attorneys to file an appeal. The appeal process will take many months. The Town will keep you informed as the appeal progresses.

RECYCLING NEWS

The Town Wilson implemented a Residency Identification Tag System to insure that only our Town residents have access to the Recycling Center. **Town Residents are required to hang their I.D. tag from their vehicle's rear view mirror for access into the facility.** This enables Recycling Center staff to easily identify residents. If you have a tag but have forgotten it you will not be allowed to use the facility. We have provided an exit point before the Recycling Center gate that you can use to leave and retrieve your tag. Please do not enter the facility without your tag clearly hanging and putting the staff in a difficult situation having to send you away. You should not be in the facility without your tag. **There is not, and never will be, an exception to this rule.** The success of this program relies on your support. Town employees have been directed to enforce these rules, please show respect to the staff as they assist you with your disposal needs.

If you would like to use the Recycling Center and need a Residency Identification Tag, the Town issues one (1) permit per Town of Wilson address. I.D. tags may be obtained at the Recycling Center on Tuesdays between 8:00 a.m. and 5:00 p.m. or Saturdays between 8:00 a.m. and 4:00 p.m. Documentation of proof of Town of Wilson residency is required (driver's license, utility bill, etc.) prior to issuance of an I.D. tag. If you lose your tag or your tag breaks you can be issued a replacement. Replacement for a lost tag is \$10:00 and a broken tag will be replaced for \$1.00.

Refer to the Enclosed Green Reference Sheet to Learn Proper Recycling Procedures

* **Recycling is mandatory in Wisconsin and statues have established responsibilities for local governments related to recycling.** We are required to maintain an effective recycling program for solid waste management, which includes educating its residents. Ongoing education is essential for maintaining high recycling rates in our community. See the flyer included in this newsletter for details of the Town's Recycling Policies and Procedures.

ROAD IMPROVEMENT UPDATE

The approach of the summer season means road construction season is soon to follow. Road improvements can be complex and expensive; for example a total road reconstruction which requires an extensive amount of equipment and detailed engineering or it could be something very simple like pothole patching. In 2014 the Town of Wilson completed two road reconstruction projects, Paradise Lane and Valley Court. The procedure for these improvements was to correct drainage problems, pulverize existing asphalt, re-grade and compact road base, asphalt pave and shoulder gravel. The potential 2015 road improvements selections are: rehabilitation of Wilson Lima Road Bridge and a joint Town of Wilson/City of Sheboygan storm water drainage improvement. Asphalt overlays are being considered if funds are available. Crack filling, patching, minor re-ditching, shouldering, center/ edge line painting, road side mowing, tree trimming and bridge painting are included on this summer's maintenance list.

Assistance from Town residents to identify hazards on or along our road ways, such as pot holes, vision problems, missing or defaced road signs etc. can be reported to the Town's maintenance staff by calling 980-0198. Remember the summer season is also the time of year that is accommodating too many other types of road way and road side use, so please stay attentive when using our road ways.

Have a safe and enjoyable summer!

SANITARY DISTRICT NEWS

Keep Wipes Out of the Pipes

Did you know that flushing wipes down the toilet is bad for the sewers? While many items state "do not flush" in smaller print, even "disposable wipes" and "flushable wipes" have been proven to cause problems in municipality sewer systems. When these wipes don't break down in the sewers it can lead to costly cleanups and may result in basement backups. The environmental consequences of these clogs can be costly to the Sanitary District as well as to you and your neighbors.

Common offenders include: feminine sanitary products, prophylactics, cleansing cloths, pre-moistened towelettes, baby wipes, diapers, rags, disinfecting wipes, Swiffer mop refills, toss-in toilet bowl wands, paper towels, and shop towels/rags. Just because a product is labeled "disposable" or "flushable" doesn't mean it will dissolve or breakdown in the sewers. If it doesn't dissolve as quickly as toilet paper, please place your wipes in the trash can. All wipes and disposable cleaning products belong in the trash, not the toilet.

Emergency Contact Information

The Sanitary District of the Town of Wilson provides 24-hour emergency service. If you experience a sewer backup or overflow or have an emergency situation regarding the Town of Wilson Sanitary District sewers, please use the following numbers:

Tom Sanville: 920-457-6554
Otis Kiehl: 920-918-8723
Steve Pautz: 920-946-2216

For non-emergency situations, please call the Sanitary District Office at 920-694-0088. Normal office hours are Monday and Thursday 8:30am – 12:30pm and Tuesday Noon – 3:30pm.

Rate Increases

In December of 2014 the Sanitary District Commissioners approved a rate increase to cover the Operations and Maintenance costs in Sanitary District No. 1. Effective January 1, 2015 the quarterly rate was raised from \$40/quarter to \$45/quarter. Wastewater treatment fees continue to be the largest expense of the Sanitary District. The Wastewater treatment fees for 2014 were 12% higher than 2013 and continue to rise annually.

Sewer Bills Billing Schedule:

Service Dates	Billing Date	Due Date
January, February, March	March 31	April 30
April, May, June	June 30	July 31
July, August, September	September 30	October 31
October, November, December	December 31	January 31

BUILDING PERMITS

Georgene Lubach Town Clerk

Just a reminder building permits are required for any project with a value of \$500 or more. Interior and exterior additions, to a residence please bring a drawing of this area into the office along with the building permit application for approval by the building inspector. Sheds, garages, fences and decks also require a drawing showing placement on the property. Re-roofing and installation of windows requires a building permit, regardless of the cost. You can find the permit application on our website; townwilson.com or stop in the office to obtain the permit. Thank you!

FIRE PREVENTION AND PROTECTION NEWS

SPRING IS HERE!

THE CURRENT WEATHER CONDITIONS HAVE MADE THE OUTDOOR TERRIAN CONDITIONS EXTREMELY DRY AND AT A VERY HIGH FIRE RISK.

WE JUST WANTED TO REMIND RESIDENTS OF THE CURRENT ORDINANCE ON BURNING. AND REMIND EVERYONE TO BE VERY CAREFUL IF YOU ARE PLANNING ON DOING ANY OUTDOOR BURNING.

- Whereas, the Town of Wilson is concerned about residents burning refuse within Town limits, based on concerns about safety and the environment;
- Now, therefore, the Town Board of the Town of Wilson does hereby ordain Chapter 3 of the Code of General Ordinances of the Town of Wilson as *follows*:

3.01 Burning Refuse Prohibited. It shall be unlawful for any person to burn out of doors refuse within residential zoned districts in the Town of Wilson.

3.02 Open Burning Prohibited. It shall be unlawful for any person to kindle, start, or maintain a fire in the open air within the Town of Wilson, except as provided in Section 3.03. All other forms of open burning, other than those listed in Section 3.03, shall be prohibited without authorization from the Fire Chief of the Town.**3.03 Exceptions to Open Burning Prohibition.**

Open burning is permissible under the following conditions:

- a. practice fires set by any organized fire department for practice or instruction of firefighters, or testing firefighting equipment;
- b. fires set by fire or law enforcement personnel for the purpose of burning explosives or dangerous material for which there is no other safe means of disposal;
- c. fires set for outdoor cooking as long as the wood or other non-explosive fuel is being burned for the purpose of cooking is kept under constant supervision is contained in a substantial burner and is not closer than ten (10) feet to any building;
- d. recreational bonfires or campfires as long as the fuel for bonfires consists of wood only is not ignited with flammable or combustible liquids, is not closer than twenty (20) feet to any building or structure, and is not more than twenty-four (24) inches above grade or the landscape;
- e. Burning of brush or weeds on agricultural lands with a permit from the Town Fire Chief or his designee.

3.04 Enforcement. The Fire Chief of the Town of Wilson Fire Department, and/or his designees, and/or the Town Board, shall enforce the regulations of this chapter and all other laws relating to the prevention of fires, and the storage, sale, use and handling of combustibles and explosives.

3.05 Special Charges. Whenever it is necessary for the Fire Department to contain, remove, or extinguish any fire on private property within the Town of Wilson, or to contain, remove, or dispose of any hazardous substance from private property within the Town, the Fire Department shall render to any party possessing, controlling, or causing the fire or discharge of hazardous substance a bill for the immediate payment of costs of the containment, removal, extinguishment, or disposal. For purposes of this subsection, the term "hazardous substance" means any substance which may pose a substantial present or potential hazard to human health, safety or the environment because of quantity; concentration; or physical, chemical or infectious characteristics.

3.06 Violations and Penalties. Any person who violates, disobeys, neglects, omits, or refuses to comply with shall forfeit not less than Fifty Dollars (\$50.00) nor more than Five Hundred Dollars (\$500.00) for each offense, together with the costs of prosecution, and in default of payment of such forfeiture and costs of prosecution shall be imprisoned in the Sheboygan County Jail until said forfeiture and costs are paid, but not to exceed thirty (30) days for each violation.

MANDATORY RECYCLING

Recycling is mandatory in the State of Wisconsin and statutes have established responsibilities for local governments relating to recycling. The Town of Wilson is required to maintain an effective recycling program for solid waste management, which includes educating its residents about the recycling law. On-going education that reminds residents about local recycling programs is essential for maintaining high recycling rates in our community.

SINGLE STREAM RECYCLING: Single stream recycling simply means that you can now place all of your recyclable items in a **BLUE** bag. Everything goes into a blue bag: #1 to #7 plastics, aluminum, glass, newspaper, chip board, magazines, catalogs, shredded paper, etc. This is a convenience option, it is not mandatory. There will be one recyclable item that will not be placed in a blue bag and that is **CARDBOARD**. It's been recommended to separate cardboard for placement into its own dumpster. The Town shall restrict recyclable items from being placed in our garbage containers. This is consistent with **ORDINANCE 65.02**. Please visit our website to view the entire ordinance (<http://townwilson.com/>)

RECYCLING IS A WISCONSIN STATE LAW, we will not accept garbage bags that contain recyclables inside. Town residents that have not separated their recyclables will be directed to return home and resort your items if your clear bag contains recyclable items. There is no landfill disposal costs attributed to recyclables so this will help to reduce the cost for all of us in disposal fees. The town of Wilson requires residents to place recyclables into a **BLUE BAG** and garbage items into a **CLEAR BAG, NO EXCEPTIONS**. Recycling Center Staff must be able to clearly see through your bag to insure proper disposal of solid waste. This is Wisconsin State Law and simply the right thing to do for our environment.
